

O. Credential FREE Introductions (or credential-LITE)

Use these prompts if you like them and they feel good. Or come up with your own prompts as you BREAK NORMS of traditional intros.

Where are you based and/or where are the places you consider HOME?

Who are your people? E.G

- Family – born into or chosen
- Friends, close colleagues
- Groups, Teams, Clubs that you enjoy
- Kindred spirits – those you know or maybe don't, ie. Follow on the socials

What is a story behind your name or nickname?

What's your social justice "origin story?" What brought you in?

What's a book, podcast, film, etc that has been significant on your social justice journey?

What's your zodiac sign? Or Your enneagram number? Or Myers Briggs score? And how does it relate to your social justice efforts?

What is one of your superpowers? (we know you have many!)

Who is someone who's been a major influence in how you see yourself, how you see the world?

What are the things you love to "geek out" on?

If you were a flavor of ice cream, what would you be and why?

Share about an experience where you could feel you belonged, were truly respected and valued.
